

SHORT CURRICULUM VITAE

Prof. Michael K. Vavelidis

Home address: 43 Zaimi str., 553 37 Thessaloniki (Tel. 0030-31-924223)

Work address: ARISTOTLE UNIVERSITY OF THESSALONIKI

Dept. of Mineralogy – Petrology – Economic Geology,

School of Geology, 541 24 Thessaloniki

Tel.: 0030-31-998474, FAX: 0030-31-998474 / 998469

E-mail: vavelidi@geo.auth.gr

Marital Status: Married with two children

Nationality: Greek

Date of birth: 21/09/1952

Place of birth: Petrota of Evros

EDUCATION

1965-1971: High School of Drama .

1972-1974: B.Sc in Geology, University of Vienna.

1974-1978: M.Sc in Geology, University of Stuttgart, Germany.

1979-1984: PhD, University of Heidelberg , Germany

EMPLOYMENT

1979-1984: Scientific Researcher, Institute of Max-Planck for nuclear Physics, Heidelberg, Germany.

1985-1987: Lecturer, Dept. of Mineralogy, Petrology and Economic Geology, School of Geology, AUTH.

1987-1992: Assistant Professor, Dept. of Mineralogy, Petrology and Economic Geology, School of Geology, AUTH.

1992-1997: Associated Professor, Dept. of Mineralogy, Petrology and Economic Geology, School of Geology, AUTH.

1997-2020 Full Professor, Dept. of Mineralogy, Petrology and Economic Geology, School of Geology, AUTH.

DUTIES

Teaching, research, post-graduated students, supervising, administration.

Participation in Selection Committees of University Professors, and as Evaluator.

Member of Committees at the Ministry of Environment Energy and Climate Change

INTERESTS

Economic Geology, Mineralogy, Petrology, Isotope Geochemistry, Gold chemistry, Ancient mines Exploitation, Archaeometry (Ancient Mining and Metallurgy), Environment (Ecological Monitoring, Reemaduiation, Reclamation)

POSITIONS

1999-2001: Head of the Department of Mineralogy, Petrology and Economic Geology, AUTH

1992-199, 2004-2006: Secretary of the Economic Geology-Geochemistry Committee, Geological Society of Greece.

1998-2000, 2008-2012: President of the Economic Geology-Geochemistry Committee, Geological Society of Greece.

2011-2015: Coordinator of the Erasmus Program of the School of Geology

2011-2015: Vice President School of Geology, Aristotle University of Thessaloniki

2015-2017: Chairman of the School of Geology, Aristotle University of Thessaloniki

MEMBER OF SOCIETIES

Geological Society of Greece, Deutsche Mineralogische Gesellschaft, Society for Geology applied to Mineral deposits, Gesellschaft fuer Kunst und Kultur im Bergbau, Greek Society for Archaeometry, Geotechnic Champer of Greece., Vice President of Greek alumni of the University of Heidelberg

RESEARCH PROJECTS

1979: Participation in the project “Mapping and detection of ore deposits at Thasos island”, IGME

1980-1984: Participation in the project “Archaeometallurgy of gold and silver-lead in the Aegean Region”.

1986-1988: Participation in the project “Geological and Physicogeographical problems in Rhodope Massif”, funded by the General Secretariat for Sesearch & Technology.

1990-1996: Participation at the blateral cooperations project between the University of Thessaloniki and Sofia.

1993-1996: Participation at the greek project (1989) “Magmatism, metallogenesis and exploitation of mineral resources in the area of Kavala-Paggaion in Eastern Macedonia” funded by the General Secretariat for Sesearch & Technology.

1996-1998: Participation at the blateral cooperations project between the University of Thessaloniki and Cologne

- 1996-1998: Project leader at the greek project (7661) “Provenance of gold for archaeological finds dated from the late Classical to Hellenistic times (Vergina, ancient Pyna, Derveni, Sedes, Stavroupoli)”, funded by the Research Committee of the Aristotle University of Thessaloniki.
- 1996-1999: Project leader at the greek project (1163) “Archaeometrical research for the provenance of gold for archaeological finds in Macedonia dated from Neolithic time to late Hellenistic period” funded by the General Secretariat for Research & Technology.
- 1998-2000: Project leader at the greek project (9531569) “Study of gold, silver and stone archaeological finds from the excavations of ancient Mesimvria-Zoni” funded by the European Community.
- 1999: Participation at the Greek project «ADAPT Lydia Lithos – Strategy project for protection and prediction of the industrial changes influence on the employment in the marble production industry»
- 1999-2000: Project leader at the Greek project «Study of the old quarries in the broader area of Petroti, Evros prefecture. The role of the quarries in the preservation of the geological-quarrying and cultural heritage»
- 1999-2008: Participation in the Interuniversity Exchange Program between the University of Thessaloniki and the University of Sofia
- 2000-2002 Project leader at the Greek project: «Primary study of the ancient mining and metallurgical works in Kipouristra, Olympiada, Chalkidiki». (IZ Ephorate of Antiquities-TWX-Hellas)
- 2001-2003: Project leader at the Greek-German project IKYDA: «Determination of the provenance of gold, silver, lead and copper in Macedonia and Thrace, Greece, during the antiquity » in collaboration with the Technical University of Freiberg, Germany
- 2004-2005: Participation at the project INSTAP «Petrographical and geochemical study of the lithic artifacts found in the Neolithic excavation at the Mikro Vouni in Samothrace»
- 2004-2005: Participation at the project INSTAP «Copper and Bronze in Bronze Age Macedonia: Archaeometallurgical research in relation to the Sites of Thessaloniki Toumba, Arhontiko Toumba and the Petralona treasure».
- 2005-2006: Participation at the project INSTAP «Petrographical and geochemical study of the lithic artifacts found in the Neolithic excavation at the Mikro Vouni in Samothrace»
- 2007-2008: Project leader Development opportunities in Northern Evros culture, mineral resources, and environment, MMTH
- 2008-2010: Project leader at the Greek-German project IKYDA: Study and development of criteria for the evaluation on the possibility of use historical water-collection systems (Quana systems) for the water supply of regions in Northern Greece
- 2009-2010 Leader at the Greek-German project, Support for the construction of sites for experiments involving special plants on waste piles in NE Chalkidiki. Supervision of the experiments (sampling, biometric measurements). University of Potsdam.
- 2014-2016: Project leader “Study of raw materials of lithics from archaeological sites in Macedonia.”. Research Committee of the Aristotle University of Thessaloniki
- 2011-2020: Participation at the project Rehabilitation of disturbed soils in the region of the Cassandra Mines. Hellas Gold.
- 2011-2018: Participation at the project Reclamation of disturbed land in the Cassandra Halkidiki mining area. Hellas Gold
- 2011-2018: Participation at the project Ecological monitoring of ecosystems in the Skouries, Halkidiki mine area. Hellas Gold
- 2011-2018: Participation at the project Reclamation of the old tailing disposal area (IMF) at Olympiada Halkidiki mine. Hellas Gold.

ORGANISING

- 1987: International Congress of Archaeometallurgy, Heidelberg, Germany.
- 1992: Greek mineral wealth and EC, Thessaloniki.
- 1993: Greek mining industry: Present and perspectives, Athens.
- 1992: Archaeometrical-Arcaeological investigations in Macedonia and Thrace, Thessaloniki.
- 1993: Participation in the organization of the Conference "Greek mining industry: Present and prospects". Committee of Economic Geology, Mineralogy, Geochemistry of the Hellenic Geological Society, Athens.
- 1993: Organization of the International Conference of the Hellenic Archaeometric Society "Archaeometric - Archaeological Research in Macedonia and Thrace, Thessaloniki
- 1994: Organization of the Conference "Environmental Protection". Committee of Economic Geology, Mineralogy, Geochemistry of the Hellenic Geological Society, Thessaloniki.
- 2000: 1st Symposium of the Commission of Economic Geology of the Mineral wealth and environment in Western Macedonia, Greece.Kozani
- 2003: 7th Internaional congress, of Mineral Exploration and Suitable Development, SGA, Athens
- 2005: 2nd Conference of the Committee of the Economic Geology - Geochemistry, Thessaloniki.
- 2007: Possibilities of Development in Northern Evros: Culture, Mineral Resources and Environment, Petrotta Evros.
- 2010: Geological and Geophysical Surveys in the Municipality of Evros Triangle-The Archaeological Work in N. Evros, Petrotta.
- 2011: The Contribution of the Mineral Resources of Northern Greece in the development of national economy, Thessaloniki

- 2016: Participation in the organization of the 14th International Conference of the Hellenic Geological Society, Thessaloniki
- 2017: Organization of ther Conference "New Ideas and Methods of Tectonic Geology in Applied Research - Examples and Applications", KEDEA, schoole of Theology, AUTH Thessaloniki
- 2017: Organization of a Conference of the Department of Geology "The Contribution of Geology to Society - Geological Investigations of AUTH in the Municipality of Volvi, Stavros
- 2017: Organization of the Conference "Exploration and exploitation of mineral raw materials from antiquity until today", School of Geology, AUTH, Thessaloniki
